WHAT WE DO

Nuru-Tech is a software business consultancy firm that creates a bridge between mature businesses in advanced economies and yet undiscovered, though successful software companies from the MEA region.

WHAT WE OFFER

High-performance and innovative products.

High quality and **competitive** alternatives to global brands.

We put you in **direct contact** with the vendor for a given request.

Our German office and international partner network provide for in-country **presence and accountability**, whenever required.

We will **accompany** the opportunity, make sure the message passes both ways and help achieve a **win-win**.

We charge you... **nothing!** (... light referral commission will be charged to vendor).

**LOW COST
